

Senate Bill No. 423

CHAPTER 237

An act to amend Section 15286 of the Education Code, relating to school facilities.

[Approved by Governor September 6, 2011. Filed with
Secretary of State September 6, 2011.]

LEGISLATIVE COUNSEL'S DIGEST

SB 423, Wyland. School facilities: local bond measures.

The California Constitution limits the maximum amount of any ad valorem tax on real property to 1% of the full cash value of the property. The California Constitution states that the 1% limitation for ad valorem taxes does not apply to ad valorem taxes or assessments to pay the interest and redemption charges on bonded indebtedness incurred by a school district, community college district, or county office of education for the construction, reconstruction, rehabilitation, or replacement of school facilities approved by 55% of the voters if the proposition includes specified accountability requirements. The accountability requirements include a requirement that the governing board of either the school district or community college district or the county office of education conduct annual, independent performance and financial audits.

This bill would require the audits for each preceding fiscal year to be submitted by March 31 of each year to the citizens' oversight committee for its review.

The people of the State of California do enact as follows:

SECTION 1. Section 15286 of the Education Code is amended to read:

15286. Consistent with the provisions contained in subparagraphs (C) and (D) of paragraph (3) of subdivision (b) of Section 1 of Article XIII A of the California Constitution, the required annual, independent financial and performance audits for the preceding fiscal year shall be submitted to the citizens' oversight committee established pursuant to Section 15278 by March 31 of each year. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial and performance audits.
